Weekly Team Meeting Agenda

Team: __________________________________________

Date: __________________________________________

Members Present: __________________________________________

______________________________________________________

Instruction & Student Learning:

1) What do we want students to learn in the upcoming week?

2) How will we measure success?

3) What strategies will we use to help students have success?

4) How are we responding to students who are currently having difficulty?

Plans for next meeting:

Needs from coach prior to next meeting:

Date for next meeting:
